Recreation News

SUMMER / FALL 2009

A Message from the Supervisor

Dear Islip Resident,

On behalf of the Islip Town Board, I am pleased to provide you with our Summer/Fall *Recreation News*. Inside these pages you will find programs for every member of your family at prices you can afford.

Islip is recognized state-wide as a leader in the field of recreation. We provide more cultural programs, parks, beaches, marinas, pools and golf courses than any other town on Long Island, and we are still growing. This summer, we are hosting our first-ever triathlon event for athletes who enjoy the thrill of competition. We have scheduled more free outdoor concerts than ever before, and we have expanded all of our sports programs. Our marinas have never looked better and our golf courses are all in top-notch shape.

Your Town Board believes that clean, safe parks and affordable recreation activities are the key to maintaining the quality of life in Islip Town. That is why, even in these uncertain economic times, your Town Board has made our high-quality, low-cost recreation programs a priority. As you read through *Recreation News*, I am sure you will agree that Islip Town is the perfect place to live – and a perfect place to spend your summer vacation.

Very truly yours,

Phil Nolan
Islip Town Supervisor
